

# Run Bug

by Roberto Perez-Franco '04

Hey, you! Yes, you.  
What are you doing  
on the roof of the  
Kresge auditorium?

*What does it look  
like, dude?  
Making a snow man!*

At night? That's  
weird. Could I take  
a picture? I might  
include it in my  
next book...

*Sure! Go ahead...*

Flash!

*By the way, what's  
your book's title?*

It's the "History  
of Male Stupidity"

*Huh?*

*Yup!*

*Will I at least make  
the frontpage?*

*I'm not even sure  
there's room left.*
