

Run Bug

by Roberto Perez-Franco, G

*Hey, Buddy!
Can I borrow
your clipper?*

Hi, Cindy.
My clipper?
What for?

*Well, I'm going
to cut all
my hair off.*

Why on Earth?
Do you have nits?

*I want a 'Britney
Spears' haircut.*

A what?

*You know, a
bald head...*

I don't think so.

*You can't stop
me. I'm sure
Technicuts will do
it for a 20.*

Yeah. Well...
What the hell!
I'll do it for a 10.
