Yello!

*Hey, is this
Punxsutawney Phil
I'm talking to?*

*Maybe. Who's
asking?*

I think you know...

*Oh, my! Don't you
ever give up? I
already told you:
Spring is coming
real soon. You just
have to be patient.*

*That's what you
said last week.
Man, have you
even seen the
calendar lately?
It's April! Snow
flakes the size of
cats were falling
here! And it's cold!*

*How did you get my
number, anyway?*

*Let's just say
that I know a
beaver who knows
some groundhogs.
I know where you
live, too...*
