

Run Bug

by Roberto Perez-Franco, G

*Hey, Buddy!
Did you file your
taxes on time?*

I'm a foreigner.

*That's got nothing to
do with it, Buddy.*

What do you mean?

*You have to file your
taxes anyway.*

You're kidding me!

*Nope. There's a special
form for non-residents...*

Only in America!

*Not really... that's
pretty universal. I think
it's the same in your
country, actually.*

Oh, shut up!
