

Run Bug

by Roberto Perez-Franco G

*Hey, Buddy!
I heard
you fell asleep
during a
presentation.*

Not true.

*Man, I saw
a picture
of you drooling.*

Darn camera
cellphones!
If it's true,
so what?

*Aren't you
embarrassed?*

I'm exhausted.
Exams, papers,
final projects...
I haven't slept
well in a while.

*But you were
the one doing
the presentation
when you fell
asleep!*

Meaningless
detail...
