

**The lion heads around the Dome
watch the Commencement...**

*Don't you just love
commencement
ceremonies?
Everybody's so
happy with their
gowns and their
diplomas!*

*Not everybody is
happy, I guess.
From here I can see
a bunch of students
and parents crying.
I don't get it.*

*If you knew how
much each one of
them owes in
student loans, you
would be crying,
too!*
