

Who is this
Paris Hilton?

*You don't know?
Oh, bless your
ignorance,
Buddy.*

What's her
talent? Is she an
actress or singer?

*She's done
movies and
albums, but she's
lame in both.*

So, basically,
she sucks.

*Oh, right there.
Now that you
mention it, that's
her talent.*

What do you
mean?

*As I said,
bless your
ignorance...*
