

So I told the professor
that your dad is a
Yankee fan and...

Wait. You did what?

What's wrong?
Was it a secret?

Are you crazy?

What did he say?

Well, that he would
have to reconsider
your thesis theme...

...and reassess
whether the
department has
enough funds for your
stipend...

Oh my... Oh my...

Just messing with you.
Did I scare you?
Happy Halloween!

I hate you...
